

To the Dean's Office of the Faculty of Chemistry and Earth Sciences
Application for Cumulative Doctoral Dissertation in Chemistry
for

Full name:.....

Faculty/Institute:.....

I hereby apply for the admission of my doctoral thesis as a cumulative dissertation.

1. Publications:

The following publications comprises my doctoral dissertation. These publications have been published or are demonstrably accepted for publication as peer-reviewed, original articles in internationally recognized journals or publication series¹. Digital Object Identifiers (DOIs) are available for all listed publications.

| Title | Publication media (DOI) | Date of acceptance of publication | First author (yes/no)* |
|--------------|--------------------------------|--|-------------------------------|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

For all publications listed above I hold the license rights.

My cumulative dissertation includes:

- An **abstract** in German or English (see §7 Doctoral Degree Regulations)
- A **table of contents**
- A **detailed and comprehensive introduction of approx. 30 pages**, which explains in detail the new contributions made to the expansion of scientific knowledge in this field of research
- **At least 3 publications** in German or English in chronological or thematic order with the corresponding additional information (**Supporting Information** for each article)
- A **concluding reflection**
- A **discussion and summary** that conclusively demonstrates the contribution made to the advancement of scientific knowledge in this field of research
- A **list of references**
- Each publication is preceded by a meaningful presentation of my individual contributions (approx. 1 page, e.g. according to the CRediT scheme (<https://credit.niso.org/>))²
